Adult Evening School To Start Next Week At Antioch High Bldg.

Ten Students or More Must Enroll to Form Class, 20 Vocalists

The Adult Evening School program will be made available to the citizens of the Antioch community by the Antioch High School Board of Education.

Adult classes will start next week according to the following schedule:

Monday, Oct. 3, 7:30 p. m., Beginning Typing, with Warren Polley and Esther Slavin in charge; Tuesday, Oct. 4, 7:30 p. m., Sewing with Veva Buchholz serving as instructor; Monday, Oct. 3, 7:30 p. m., Woodworking, with Melvin Stillson doing the teaching; Wednesday, Oct. 5, 7:30 p. m., Art, with John Scott serving as instructor. Only adults and high school students are eligible for the art class.

Louis Chenette, high school music director, will conduct a chorus group if at least 20 people are interested. He will meet with this group Monday, Oct. 3, at 7:30 p. m.

Interested adult students should report to their teachers on the days specified in the above schedule. The first evening will consist of paying registration fees and discussing the general organization of the course. All courses will run for ten weeks. However, the meetings during the week of Oct. 3 will not constitute part of the ten weeks of operation.

Each class will be two hours in length and ten students must be enrolled in a subject to organize a class unless otherwise specified.

The Antioch Community band under the direction of Louis Chenette, is looking for adults who are interested in instrumental music. The band recently concluded a fine summer program and at the present time is making arrangements for its winter program and special activities.

Big Game Photographer To Show Film Monday At Men's Club Program

For the first program of the Antioch Methodist Men's Club, John Moyer of the Chicago Natural History Museum will show his film, "Shikar in India," and tell of his trips through that country.

The meeting will be at 8 p. m. Monday in Wesley hall, and no dinner will be served. The event will be public and members of the club are selling tickets for it.

The film is an all color documentary on the big game animals of India. It shows India in all of its color, mystery and adventure.

Animals of all kinds are photographed in their habitat—the jungle, the grass country, the plains area; old and young, feeding, fighting, living their everyday life.

To film "Shikar in India" more than 19,000 miles were traveled over a period of two and one-half years. Moyer's narration is said to be more interesting than fiction and quite educational.

Joseph J. Fox, 47, Dies of Heart Attack

Joseph J. Fox, 47, Salem, Wis., died Thursday, Sept. 22 at 3 p. m. at his home. He was born November 3, 1907 at Bristol, Wis., and moved to Salem 40 years ago.

He served as Salem Township treasurer from 1936 to 1942, Salem Township chairman from 1953 to 1954. He operated a trucking business and previously had been a tavern proprietor for several years.

Survivors are his wife, Evelyn, two sons, Jerome and Thomas, both at home, one sister, Mrs. Katherine Kavanagh of Salem, three brothers, Thomas F. of Fond du Lac, Wis., William F. and James R., both of Kenosha. He was preceded in death by his parents, Mr. and Mrs. F. R. Fox and a brother Benjamin J. Funeral services were held at 9:30 a. m. Saturday, Sept. 24 at the Strang Funeral home and at 10 a. m. at Holy Name church at Wilmot. Interment was in Holy Name cemetery.

Lions Governor Appoints
J. D. Allen of Lake Zurich, Dist. 1-F governor of the Lions International, has named Bert D. Green of Highland Park his deputy for Region one and G. E. Abernathy, Jr. zone chairman for the zone in which the Antioch club is situated.
H. T. Dixon, Waukegan is deputy for Region 2, and Raymond L. Walker deputy for Region 3, Cook county.

Permission Given to St. Peter's Parish To Construct Convent

The Rev. Alfred J. Henderson, pastor of St. Peter's Catholic church received permission from His Eminence Samuel Cardinal Stritch to proceed with the building of the new convent.

The word to go ahead with construction of the two-story building which will be next to the school in a position corresponding to the rectory, was given following a conference between the cardinal and seven monsignors at Chicago Tuesday.

There was great rejoicing among the children, the nuns and Fr. Henderson over the action of Cardinal Stritch.

The new building is made possible through the strenuous efforts of the members of the parish in obtaining pledges and gifts totaling \$107,000 which was pleasing to Cardinal Stritch.

Fr. Henderson said that the architect will draw up specifications and the contract will then be let with the expectation that work will be started yet this fall.

The new building will have residence quarters for the nuns, a chapel and a community room for them. There will be a class room in the basement.

Louise Kay Speaker Before Antioch Club At Luncheon Monday

"Charm at Home and Abroad" will be the topic of Louise Kay when she speaks at the opening luncheon of the Antioch Woman's club at 12:30 p. m. Monday, in Smart's Country House.

After attending Hunter College and Columbia University, she studied abroad. As an authority on voice and speech, she has taught on three continents and lectured extensively in this country.

Early in her career as a voice and diction teacher at a charm school, Louise Baselow Kay began research on her "Enchantresses." It has been her endeavor to learn about the attributes which contribute most toward charm. Among her findings are what she calls three great "Charm Killers."

Reservations are now being received by the club president, Mrs. Clarence Spiering, phone 569-J-1 and the program chairman, Mrs. William Brook, phone 524-R. They ask that all reservations be in by Saturday, Oct. 1.

Mrs. Spiering recently attended the Lake County Federation of Women's club Past Presidents' Day at the Farman Hotel in Lake Zurich.

Methodists to Participate In World Wide Service; To Observe Rally Day

The Reverend Howard C. Benson, minister of the Methodist church of Antioch, announces that the local congregation will participate with congregations throughout the world this Sunday, Oct. 2, in World-Wide Communion Sunday.

Those churches that participate do so as a witness of their unity in Christ. It is customary on this Sunday to receive a special offering for people in need overseas and also for the work of Methodist chaplains in the armed forces, hospitals, and penal institutions. Those persons in the community who are not members of another church are invited to participate in the service of worship this Sunday at 11:00 a. m.

Sunday, Oct. 2, will be Rally Day in the Sunday School of the Methodist church. All children and youth in the community who are not members of another Sunday School are invited to attend. Nursery (three year olds) through the third grade will meet at 11 a. m. and all other age groups including adults will meet at 9:30 a. m. Hurd Saltzman of Indian Point is the general superintendent of the Sunday School.

Dennis Kennedy, son of Mr. and Mrs. Dudley Kennedy returned to Fort Sill, Okla., after a week's furlough with his parents.

LAKE VILLA ASSESSMENT ROLL IS PUBLISHED

The assessment roll for the Town of Lake Villa as fixed by the assessor, appears on pages 14 and 15 of today's issue of The Antioch News. Every resident of the Town of Lake Villa, which includes the Village of Lake Villa should make it a point to check up on the amount of his assessment.

Any property owner who objects to the amount of his valuation should file a formal complaint with the Board of Review within 10 days from the date of publication of this assessment roll.

Sequoits Beat Bears At Lake Zurich 14-0; Play Rams Saturday

Sophomores Lose to Ela 14-6; Play Opener Saturday with Grayslake

Two undefeated football teams will clash when the Antioch Sequoits play the Grayslake Rams here at 8:15 p. m. Saturday.

Antioch beat the Ela-Vernon Bears at Lake Zurich last Saturday afternoon 14 to 0 in a game marred by frequent fumbles and pass interceptions.

The first half went scoreless with Antioch controlling the ball but losing ground on misplays. In the third period the Sequoits recovered a fumble on Ela's 30 yard line and after working the ball to the 2-yard line scored on Bill Layton's plunge. Frank Walsh kicked goal for the extra point.

During the Bears' desperate effort to score through the aerial route, Jerry Huml intercepted a pass on Ela's 21 yard line and a few plays later Don Schroeder romped through for 13 yards and a touchdown. Dick Srch converted from placement.

Ela drove deep into Antioch territory three times but met a stout defense each time.

Coach Praises Defense

Coach Paul Kessenich praised the defensive work of Jim Corbel, Jim Scully and Harve Strameitz. "Our defense was improved in this game over the Wilmot game, but had we made the mistakes against Wilmot that we made against Ela-Vernon we would have been beaten," said Coach Kessenich. "We should have had possession of the ball three-fourths of the time, but instead only a little more than half."

Kessenich said he was pleased with the way his men kept from becoming rattled and came back so strong in the second half.

"We know we are up against a strong team Saturday and don't intend to make mistakes," said Kessenich.

Grayslake defeated Grant at Inglewood 19 to 0. The Rams took advantage of misplays of the Bulldogs and scored in the first, second and fourth quarters. They then set up rugged defense against the Bulldog drives.

Saturday night's game here between the Rams and the Sequoits will have as a curtain raiser a game between the sophomore teams of the two schools.

Jacob W. Budack, 74, Cross Lake Resident Buried This Morning

Jacob W. Budack, 74, Cross Lake, died Monday in Kenosha hospital following a lingering illness.

Born July 16, 1881 in Germany Mr. Budack came to the United States in 1883 and settled in Chicago. Twenty-three years ago he came to Cross Lake.

Mr. Budack was a retired plumber. He was a member of Greater Chicago Moose Lodge No. 3.

Surviving are his wife, Gertrude, four sons, Edward, Melrose Park; Robert and Fred, both of Maywood; and John of Hillside. A brother, Andrew, lives in Chicago. There are four grandchildren.

Funeral services were held at 10 a. m. today at St. Benedict church northeast of Antioch and burial will be in Mount Carmel cemetery.

President Makes Recovery

Antioch area residents were shocked by word Saturday of the illness of President Dwight D. Eisenhower. The president suffered a coronary thrombosis which will keep him from his desk for a month, and probably will prevent him from seeking a second term. The heart attack was severe, but the President rallied well and seems on the road to recovery. He was at Denver, Colo., when stricken.

Court Hearings Start To Decide Ownership Of Sorenson \$40,000

The attempt to decide the ownership of approximately \$40,000 which was found in Waukegan last May by Albert L. Sorenson, 34, Petite Lake, is being made in circuit court at Waukegan today.

A hearing on arguments on a motion to strike out an intervening petition filed by Sorenson is scheduled today and on Friday a hearing on the motion of Sorenson to answer or otherwise plead to the complaint of Mrs. Jane Siskind, Waukegan, who claims ownership of the money, is arranged.

Sorenson was at work on a construction job on South Genesee street in Waukegan when he found the money. Mrs. Siskind, a book store owner, claimed the money as that belonging to a relative.

One of Levasseur Twins Home from Hospital Other to Leave Soon

One of the identical twins born prematurely to Mr. and Mrs. Raymond L. Levasseur of Fox Lake at Hazel Green, Wis., on Aug. 19, has been taken home from St. Therese hospital, Waukegan, where the two were taken soon after birth. Mr. Levasseur, the father, is proprietor of the Grande Cleaners in Antioch.

William, the oldest boy by 23 minutes, who weighed 4 pounds 2 1/2 ounces at birth, now weighs 6 pounds 2 1/2 ounces and was considered far enough along to make the trip home.

The brother Albert, who barely reached 4 pounds at birth has gained just a pound and will be kept in the hospital a few more days.

The mother was on a trip to Dick-eyville, Wis., to visit her sisters when the twins decided to enter the world two months ahead of schedule. She was taken to Hazel Green hospital 10 miles distant for the delivery and five days later the children were taken in a portable incubator to St. Therese hospital for care.

Now at a date when they were expected to arrive they have reached normal size.

Channel Lake Community Club Plans First Affair Of Season for Monday

The Channel Lake Community club will hold its first meeting of the fall season Monday night, Oct. 3, at 8:30 p. m. at the school. The president Irwin W. Harland, Sr., urges all the residents of Channel Lake area to attend and become acquainted with their neighbors. A welcome is extended to all the new residents.

The Activities Committee is planning numerous affairs for the coming season and can only do these by member cooperation. Plans are in the making for a safety campaign in the area and residents of the community are asked to cooperate in the matter of safe and sane driving along the highway and streets. Children are the predominant factor in this campaign. The club sponsored the school baseball team, basketball team, the Boy Scouts, the Girl Scouts and the Hot Lunch program. Parents of all pupils are urged to cooperate in having their children participate in one of these activities.

Free Street Parking In Antioch During 3 Dollar Days Oct. 6-8

Campaign is on to Acquaint Area With Special Bargain Days

There will be free parking in Antioch for shoppers who attend the Antioch Dollar Days, Oct. 6, 7, and 8.

Meters will be covered to indicate no coin is needed, and visitors may shop as long as they wish, according to Joe Patrovsky, chairman of the Dollar Days committee.

Business people and their associates were asked to not park their cars on the main streets during the shopping hours to give the shoppers plenty of space.

The Chamber of Commerce, sponsor of the bargain days, is planning a campaign through the press and radio to acquaint people within a 15-mile radius of Antioch of the advantages of shopping in the village during the three days. At the same time merchants will advertise the nature of their special items which can be purchased for less money.

Today's Antioch News has many announcements of specials which should be read and remembered.

Merchants are urged by the Chamber of Commerce to continue their past policy of offering much wanted items and not offer slow moving stock in order to keep up the reputation of Antioch's Dollar Days.

"The purpose of these bargain days is to bring in new customers to Antioch stores and make them aware of the fine stores and fine stocks that are available the year around," said Patrovsky.

Holtz Files Reply and Demands Jury Trial in Dram Shop Act Charges

Russell (Bud) Holtz, operator of Bud's tavern on Main st., through his attorneys, Snyder, Clarke and Dalziel, has filed an answer to the \$45,000 dram shop act charge brought against him by Mrs. Elizabeth Simms and children, Timothy and Louise Marie Simms.

He also has demanded a trial by jury.

Mrs. Simms charges that Holtz sold liquor to her husband, Donald, 33, Loon Lake rd., who was killed when his car hit a tree on Aug. 18, 1953, near his home.

She asks \$15,000 for herself, and a like amount for each child.

The same law firm is representing Thomas Traynoff of the Polka Dot tavern, Rte. 120 and Green Bay rd. against whom a \$15,000 dram shop action has been filed by Norman Dowdy. He charges that Traynoff served liquor to James Dredla, who assaulted him causing him to lose an eye.

Fred C. Westfall, 55 Dies at Summer Home

Funeral services were held Monday afternoon in Chicago for Fred C. Westfall, 55, owner of the Westfall Funeral home, 3807 North Lincoln st. in that city, who died last Thursday at his summer home at Lake Marie. The services were in the Westfall chapel.

Death was unexpected. Mr. Westfall had been at his summer home much of the season, as had been his custom over the many years that he has maintained his summer home at Lake Marie.

Surviving are the widow, Clara, and a daughter, Mrs. Lorraine Hitchon.

Mr. Westfall was past master of the Lakeview Lodge No. 74 A. F. and A. M., past patron of Mizpah Chapter 549, Order of Eastern Star, and past noble grand of New Chicago Atlas Lodge No. 477, Independent Order of Odd Fellows.

Burial was in Memorial Park cemetery.

John Schmidt Home, in Felter's Sub, Damaged By Fire This Morning

Damage estimated at \$600 was caused at the John Schmidt home in Felter's Subdivision, Lake Catherine, this morning at 7:30 when lightning struck the home and ignited the gable end of the house.

Fire Chief Edgar Simonsen said that the bolt had followed the electric service line and had started the fire inside the wall of the gable. The fire department extinguished the fire in a short while.

Volume Is the Key

Godfrey M. Lobhar, editor-in-chief of Chain Store Age, writes: "That the variety store chains are meeting the problem of rising operating costs in the only practicable way it can be met—by increasing volume—is indicated by the sales reported for the first half of the year. But the push for more volume per store will have to be intensified if the figures for the full year are to show any substantial improvement over last year's operating results."

He then pointed out that the stores' operating costs have continued to rise, with labor cost a major factor, and added: "... the only practical way to keep the payroll ratio at a tolerable level is by increasing sales, for an increase in the gross margin percentage would hardly be desirable even if competition did not make it unfeasible."

It's a safe bet that most other retailers are in a similar position and are following a similar course of action. The interest of consumers in the trend is a very real and direct one. They are the beneficiaries of today's free and highly competitive market in which increased volume represents the way to meet the operating cost problem either without increasing retail prices, or, failing that, by holding price increases to the minimum.

Mass distribution, based on the principle of big volume at a small unit profit, was pioneered long ago by the chains and adapted by other merchants. It dominates all retail thinking today, and will continue to do so.

Not Enough Rich People!

It used to be said that well-to-do and rich people could pay most of the taxes, so the rest of us needn't worry too much about the cost of government. But that situation is as dead as the Pharaohs.

The federal individual income tax starts at 20 per cent. Then, as income levels rise, surtaxes of from two to 71 per cent are added on, making the maximum tax a staggering 91-per cent. Despite this, some 84 per cent of our total individual income tax revenue comes from the base rate of 20 per cent—while only 16 per cent comes from the surtaxes. We just haven't enough rich people to soak!

Jobs for the Handicapped

A Presidential committee urges that five per cent of the labor force of business as a whole would be made up of handicapped workers. If this goal is reached, the 2,000,000 who are disabled at the present time would be given jobs, and so would the 250,000 who become disabled each year. Of last year's rehabilitated disabled, jobs were found for only 65,000. Hiring the handicapped is good business too. A

Bureau of Labor Statistics study found that handicapped workers have lower accident rates, lower absentee rates, five to nine times less turnover, and a better production record than others.

Every business, large or small, should do what it can to help the nation reach that five per cent goal.

Red Hat Day

A red hat has long been the symbol of safe hunting. Prudent sportsmen always wear one in the woods and fields during the hunting season, to guard against being taken for game. Unhappily, however, due to the seemingly ever-growing numbers of trigger-happy hunters, this precaution is not invariably successful.

On September 23rd, Red Hat Day was observed. Sponsored by the Portland, Oregon, chapter of the Izaak Walton League, it has been given national recognition. Its object is to make hunting safe—and to protect our hunting lands from fire and other ravages.

Obviously that can't be done in one day. So Red Hat Day itself will simply be used to intensively publicize the problem and to point to solutions. The work will go on, in cooperation with conservation organizations, schools, farm and business groups, sportsmen's clubs, and local, state and national governmental agencies.

Governor Patterson of Oregon finds that there has been an increase in reports of vandalism, fire-arm accidents, and game law violations. He adds: "Perhaps only one in a thousand hunters is to blame for these reports of poor sportsmanship, but unless we can reach him through the Red Hat Day program, he is jeopardizing the hunting future for all of us."

The Low Down From Hickory Grove

You know, for something refreshing I note this "go-ahead" by the Govt. to a private concern to build a power station in that open country on the Snake River of Idaho and Oregon. With the private concern—versus the Govt.—shouldering the 200 or so million buck job, the folks in that grand northwest land will see the concern paying taxes—lightening the load on them. They will see too, that the rates they pay for kilowatts will be decided by the Commissions of their own states. Govt. owned stations pay no taxes and charge rates as they jolly well please.

And then too, other states—46 of 'em—will benefit by the Govt. not being in the picture. The private concern will pay federal taxes and that will ease, in a degree, federal taxes throughout the country.

All in all, it is refreshing. Socialism has been given a jab in its midriff there in Hell's Canyon. It indicates that we may yet recover our balance after our twiddling of our toes in the Europe-type, discouraging set-up where individual initiative is not of the free wheeling type—and the Govt. is the Big Smoke in railroads, phones, radio, kilowatts, false teeth, and what have you. Socialist-minded politicians are going to sound-off on Hell's Canyon—along with their similarly inclined brethren—but while they talk much, they won't say much—anyway, of importance.

Yours with the low down,

JO SERRA

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

In one of the strangest moves ever undertaken in American business history, discount houses, through an organization they have set up, are asking the Federal Trade Commission to force legitimate wholesalers and manufacturers to sell to them. FTC is now investigating.

The first action is directed against Macback, Inc., of New York, wholesalers of electrical appliances and hardware items following announcement it will not sell to any discount houses.

A series of such actions is understood planned by discount house operators. This is perhaps the most blatant display of brass ever released to fool both government bureaus and public.

Nation's Better Business Bureau scores heavily practices of so called discount houses.

Ethics and honesty, not for self-protection, but for protection of the public is a traditional principle of American business.

That is why many independent made and sold products on the market today are bought with public confidence in product integrity, and belief in event of any defects adjustments will be made. But that system depends on strong links; a manufacturer of integrity, wholesalers of integrity, retailers of integrity.

However, this traditional American system, largely unknown elsewhere, is being threatened by so called discount houses which unload a lot of junk on the public. But people do not willingly walk into a store handling

only junk merchandise. There must be some bait.

Discount houses fight for brand merchandise to use as bait.

But even so called cut price advertising by these discount houses is wide open to question.

A common advertising practice is the "was and is" method. A fictitious high price is listed as the original selling price of the article to compare with the discount house price.

And often so-called cut prices are on old, obsolete models, inferior to be current models.

There is still a further public delusion. If a chef cooked in the same pot the carcass of a single rabbit with that of a horse, called it rabbit stew, he would be questioned.

Yet discount houses constantly refer to their stocks of nationally advertised merchandise, when in fact the preponderant part of their stock is unknown. But by larding the stock with a few brand name items they throw the cloak of respectability over entire stock.

Thus the public, attracted by the bait of well known names, is induced to buy other merchandise, paying an exorbitantly high price for it.

This situation cannot continue. Despite efforts of some independent manufacturers, too many, often combine subsidiaries, shut their eyes to the situation.

However, independent retailers, wholesalers and manufacturers, working together, could by full publicity and self policing, solve the problem. And it appears high time to adequately publicize those manufacturers and wholesalers who are seeking to carry water on both shoulders.

Boy Scout Fund Drive Set for Nov. 6 to 13 In Antioch by Council

Carl Vorreiter, Wilmette, Finance Campaign Chairman for the North Shore Area Council, Boy Scouts of America, announced today plans to conduct the annual Campaign for funds to maintain Scouting in the 34 communities served by the Council.

Vorreiter pointed out that the campaign date has been set for the week of November 6-13, and the kick-off date moved up from January to November in order to avoid conflict with campaigns conducted by national health agencies.

This campaign will be conducted only in the 26 communities served by the Council that do not have local Community Chests. Communities included in the Campaign are Glenview, Lake Forest, Lake Bluff, Highland, Libertyville, Long Grove, Half Day, Prairie View, Mundelein, Diamond Lake, Wauconda, Island Lake, Sylvan Lake, Ivanhoe, Grayslake, Big Hollow, Round Lake, Long Lake, Ingleside, Fox Lake, Antioch, Lake Villa Township, Grass Lake, Rondout, and Channel Lake.

Funds raised in the campaign will be used for the budget year Nov. 1, 1955 to October 31, 1956. Mr. Vorreiter said, "While there will be two Boy Scout Campaigns in 1955, contributors should understand that the Boy Scout Campaign will in future years be conducted during the Fall months with but one annual drive. The reason for the change is to avoid duplication of the campaigns in January and February and to hold Boy Scout Campaigns at the same time that communities with Chests raise funds for the social agencies in the community."

Post Office Building Like Antioch's Added At Rate of 1 1/2 a Day

Contracts for leasing or long-term purchase of new buildings to be used by the Post Office Department have been signed at a rate of over one and one-half per working day during the past 18 months, Postmaster General Arthur E. Summerfield reported today.

Through the Department's Commercial Leasing Program and its Lease-Purchase method for obtaining new modern buildings, the Post Office Department has either occupied or will occupy, upon completion, approximately 600 new units at an estimated construction cost of about \$49 million dollars.

This new construction is not part of a Federal Public Works Building Program. As a matter of fact, no appropriations for Federal construction of public buildings for postal use have been made since 1938.

The Commercial Leasing program permits the Department to make long-term non-cancellable leases. By this means new modern postal facilities such as Antioch's post office have been erected to the Department's specifications and are leased from private enterprises, using funds provided by private investors. This program has created about 35 million dollars in new construction during the last 18 months.

The Lease-Purchase Program, passed by the 83rd Congress, is actually a "buy-out-of-rent" method for obtaining new modern postal facilities. Under this program, the Department is buying modern vital-needed facilities substantially like the average prudent American buys his home, in periodic payments like rent. This program is designed to use the financing and construction capacity of American business to provide modern buildings for Post Office use.

While the Lease-Purchase program is relatively new, the 27 projects presently approved will create an estimated 14 million dollars of new construction.

LAKESIDE COUNCIL GIRL SCOUT NEWS

Girl Scout leaders in the Round Lake area met recently to discuss plans for the annual Cookie Sale, which will be held Oct. 16 to 23. It was decided that the Brownies and Intermediate Scouts would take orders for the cookies and nuts one week in advance of the sale. Leaders should give their orders to Mrs. Mae Backovitch, Neighborhood Cookie chairman, on or before Sept. 28.

Round Lake now has camping equipment available for troops planning trip. Leaders planning to use this equipment should contact Mrs. June Sims two or three weeks in advance of their trip.

Mrs. Virginia Spinney announced that the Waukegan Northshore Council is offering Basic Leadership Training courses, and any adult in the Lakeside Council who has not previously had the course, or who is new to leadership, is invited to attend. The dates are Sept. 28, Oct. 3 and Oct. 5. The daytime course will be presented from 9:15 a. m. to 2:30 p. m., and the evening course will be from 7 p. m. to 10 p. m. It will be held at the First Baptist church, 401 N. Genesee st. Those planning to attend afternoon sessions may bring their children.

Mrs. Alice Erickson of Round Lake is starting a new Intermediate troop composed of Brownie Fly-ups and other girls 12 years or older who wish to join. If you would like to become a Girl Scout, call Mrs. Erickson at Kimball 6-1255.

Cornerstone Laid for Millburn Masonic Temple

Taking leading parts in the cornerstone laying of the new Millburn Masonic Temple Saturday afternoon were, left to right, Fred B. Swanson, Antioch, master of ceremonies; Philip W. Anderson, Millburn, chairman of the Temple Association; Milton T. Sonntag, Plainfield, grand master in charge of ceremonies; Dwight H. Green, Chicago, orator; and Allan Johnson, master of the Millburn lodge.

Just before the cornerstone was placed in position in Millburn's new Masonic temple Saturday, a metal box containing histories of the 100-year-old lodge and the Order of Eastern Star together with lists of officials and members was inserted in a cavity in the stone for keeping as long as the building will last. In charge of the ceremony, wearing the top hat, is Milton T. Sonntag, Plainfield, Ill., who next month will become Most Worshipful Grand Master of the Masonic lodge in the state of Illinois.

Four Central Seniors To Compete for 4-Year Scholarships Oct. 26

Four outstanding seniors at Central High school will compete in the new, multi-million dollar National Merit scholarship program, Principal A. H. Erickson announced today. These high ranking local students will be aiming at some 200 four-year college scholarships that can carry up to full tuition and living expenses, depending upon the financial need of each winner. Winners will be chosen on the basis of their ability to profit from a higher education.

Timothy Schlax, Sandra Sorenson, Jerry Blodgett, Beatrice Henning are the seniors named to take a preliminary screening test to be given in the high school October 26, 1955, as the first step. The competition is open to all secondary schools, and is the largest program of its kind.

The scholarship program is conducted by the National Merit Scholarship Corporation, an independent, non-profit educational organization set up by grants of \$20,500,000. Aimed at the discovering and helping the most talented students in the country, the Merit Program permits the winners, known as Merit Scholars, to choose any accredited college or university and any course of study.

Some 800 runners-up in the competition will be awarded Certificates of Merit, and their names will be announced to all colleges and other scholarship agencies as students of unusual ability.

Colleges chosen by the Merit Scholars will receive "scholarships" too, for the Merit Program also helps the undergraduate colleges. In return for educating the Merit Scholar, the college can receive a grant of up to \$3,000.

The National Merit Scholarship Corporation offers its facilities and services without charge to organizations and individuals interested in offering scholarships and conforming to its standards. Such scholarships will bear the name of the sponsoring company.

Lake Villa Audit Reported

Edward Tiede, supervisor of Lake Villa Township, this week mailed copies of the auditor's report of the town of Lake Villa and Fire District, giving receipts and expenditures. They were sent to every boxholder in the township, but in event any taxpayer failed to get a copy one is available for him at the supervisor's office.

High School Coaches Address Antioch Lions

The athletic staff of Antioch township High School presented the program at the meeting of the Antioch Lions club Monday evening at the Norshore Resort.

Principal A. L. Dittman, member of the club, turned the meeting over to Warren Polley, athletic director, who introduced Coaches Paul Kessenich, Laurence Leon, Robert Heath, Stuart Good, John Grady, and Donald Chiappetta.

Kessenich, who heads the football training, explained the complete training program for the school.

New System of Landing Aircraft with Mirrors Undergoes First Test

A new system of landing aircraft at sea with mirrors and colored lights underwent its first tests last month on the Navy attack aircraft carrier USS Bennington.

Based on an idea developed by the British Navy, the new landing system consists of a large concave mirror and banks of green and amber lights mounted on the port side of a carrier's angled flight deck.

About 150 feet astern of the mirror is another row of lights, amber in color, which are reflected as an image or "blob" of light. It is the image in relation to side reference lights which the pilot sees when making a landing.

As the pilot approaches the flight deck for a landing, the position of the lights and an image in the mirror indicate whether his glide path, speed and altitude are in proper relation to each other for a safe landing.

The new system, for both day and night operations, is known as the "deck landing mirror sight," the combination may eventually replace the Landing Signal Officer who now brings the pilot and his aircraft to a landing with the use of hand-held paddles or lights.

With the advent of jet aviation and the increased size and speed of modern aircraft, carrier operations have become more demanding on the LSO's abilities.

According to Navy Cmdr. Americo J. Vescevi, Project Officer for the tests, "the new system not only reduces the element of human error, but also gives quick and accurate signals to the pilot—literally with the speed of light. It also allows the pilot to pick up a reference signal at a far greater distance."

Father of Dr. C. M. Solar, Dies, Funeral Saturday

Michael Solar, 72, father of Dr. Charles M. Solar of Antioch, died at 12:20 this morning (Thursday) at his home in Cicero, after a lingering illness. Mr. Solar leaves his wife, Marie, two daughters, Mrs. Georgiana Lang, Riverside, and Mrs. Ella Opocenski of Addison, Ill., two sons, Dr. Elmer Solar of Chicago and Dr. Charles Solar of Antioch.

Funeral services will be held Saturday at the Svec Funeral Parlor in Chicago. Interment will be in Chicago. Mr. Solar in his visits in Antioch had many friends and acquaintances here.

Firemen Called to Woodcrest

The Antioch Fire Department was called to Woodcrest subdivision on the west side of Channel Lake Sunday afternoon where the firemen extinguished a blaze starting from a fireplace. The damage was small and was confined to the wall around the chimney.

Mary Rose Engfors Asks Divorce

Mary Rose Engfors has filed suit for divorce against John H. Engfors in circuit court at Waukegan, and is asking the resumption of her maiden name, Mary Rose Webb. She says they were married at Antioch on Feb. 14, 1953 and that he deserted her July 13, 1954. There are no children.

Old Ledgers Give Peek Into 1776 Army Medical Kit

WASHINGTON—Epsom salt, glauber's salt, castor oil, mercurial ointment, adhesive plaster, and cinchona bark were among the drugs used most during the American Revolutionary War, according to information confirmed through the examination of some 1776 account records of a Philadelphia apothecary shop.

The story of how the American Revolutionary Army was crippled by lack of medical supplies and by internal feuds within the medical department has been previously reported, but information about the all-important regimental medicine chests used by the Continental Army has been sketchy. The complete inventory of some 20 medical chests that were furnished the Continental Congress for the newly organized regiments from New Jersey, Pennsylvania, Virginia and North Carolina have been revealed through the study of the Waste Book of the Marshall Apothecary Shop, which is preserved in the Historical Society of Pennsylvania.

The records show that cathartics were the leading medicine employed by the American forces of 1776. The regimental chest included 10 pounds of epsom salt; 10 pounds of glauber's salt; 1 1/2 pounds of castor oil; 1 1/2 pounds of aloë; 2 pounds of jalap; and 1 pound of rhubarb. Sedatives were few, including only 8 ounces of opium and 12 ounces of tincture of opium for an entire regiment. Cinchona bark, from which quinine was later discovered, was in wide use, 4 pounds being contained in the Continental chest.

Surgical dressings included 10 pounds of tow (a type of cloth wrung out of hot water and applied as a stupe); 3 pounds of lint (a dressing made by scraping old linen cloth); and 6 pounds of adhesive plaster.

Eighty-six McHenry County business places have taken out federal licenses for slot machines and other gambling devices, indicating that the county is wide open. Only a few have been issued in Lake county and they are being watched for possible arrests.

Grand Lodge Officers....

(continued from page 1)

Antioch lodge) is typical of and exemplifies the growth and progress of Masonry.

Green said that the future of America will be insured only by solving the problem of helping children, reared in the complexities of modern life to achieve normal living and the opportunity which is a part of their birthright.

He said it behooves Masons to take up the battle against Communism and defend the constitution, American liberties, the schools and the churches.

Master of Ceremonies Swanson introduced the Rev. L. H. Messersmith, pastor of the church and a Mason, who gave the invocation.

Later he introduced Philip W. Anderson, past master of the Millburn lodge, who headed the Temple committee which over many years has been raising money to finance the new building.

District Deputy Marshall Erickson, Waukegan, was also introduced, as was Allan Johnson, master of the lodge.

Erickson praised the Millburn lodge for its achievement.

Sonntag Delivers Address

Deputy Grand Master Sonntag delivered his address at the church, rather than at the new building. He said that there are few small communities such as Millburn that possess such a fine Masonic temple as hers will be (The framework of the building is completed ready for enclosure and interior finishing.)

He called for the fostering of ideals that respect the dignity of the home and mutual respect, declaring that successful living comes first in the home, then in the church and thereafter can be found in Masonry.

Sonntag then called for the formation of the procession from the church to the new building 200 feet south on Rte. 45. The procession line included Harold R. Kopffman, Grand Senior Warden, and James Green, grand treasurer, both of Chicago, and Dwight H. Green, grand orator.

Others appointed by the grand lodge to act for the occasion were Charles W. Smith, deputy grand master; Clarence Schwartz, junior warden; Theodore Engh, secretary; Thomas J. Negahay, chaplain; Allan Johnson, master of the Millburn lodge, pursuant; William Peters, marshal; Louis L. Craver, standard bearer; Herbert P. Sargeant, sword bearer; Marshall Erickson, senior deacon; Harold Ross, junior deacon; Lloyd Graham, Carsten Hansen, Floyd Brokaw, stewards, Philip Anderson, master of the oldest lodge; Benjamin Cribb, principal architect; and Lawrence R. Gelman, tyler.

Honored through their participation in the ceremony of the laying of the cornerstone were Edward Martin and James Reeves, fifty-year members of the Millburn lodge.

Ideal weather conditions added to the success of the outdoor service.

Placed in the stone were the by-laws and history of the lodge, and the Temple's Association, lists of officials, past masters, and members, past matrons and patrons and members of the Eastern Star, which was chartered April 26, 1906.

Following the service refreshments were served at the church.

Freshman Grid Players To Start Season Next Monday at Grayslake

The Antioch Township High School freshman football squad will start its season of five games Monday with a game against Grayslake here.

Other games scheduled are with Zion there, Oct. 10; Wauconda there, Oct. 24; and Palatine there, Oct. 31. No games have been scheduled yet for Oct. 17.

Under the coaching of Don Chiappetta, the freshmen have learned the fundamentals of the game and some plays. The starting team on offense comprises:

Jim Oilschlager, left end; Don Sheehan, left tackle; Duane Christiansen, left guard; Don Freels, center; Bob Wozniak, right guard; Ray Teml, right tackle; Paul Magiera, right end; Dick Behrens, quarterback; Jim Portalski, left half; Pat Sullivan, right half; and Jim McGee, fullback.

Playing on defense are Leroy Gallagher, left end; Tom Milowski, left tackle; Chris Davis, left guard; Bob Wozniak, right guard; Ray Teml, right end; Paul Magiera, right end; Vincent Naseda, fullback; Behrens, quarterback; Portalski and Sullivan, halfbacks.

Reserves who will see play are Dennis Gray, Dick Brueck, Herb Hattendorf, Bill Dressels, John Reiff, Gordon Mackenzie, Tom Ring, and Allen Cheterbok.

Cancer Society Told \$50 Million Spent on Quack Cures Yearly

Mrs. Roman Vos attended the metropolitan area meeting of the American Cancer Society at the Sheraton hotel in Chicago last Thursday.

Two hundred and fifty volunteer workers were told that the public spends about \$50 million a year on cancer quacks. There is a great need for the education program by the general public and the best means of presenting it to the public is by the showing of cancer films to various organizations, speakers said.

Anyone wishing this service may contact Mrs. Vos at Antioch 621.

Sophs Lose to Ela 6-12

The Sequoit underclassmen lost to Ela-Vernon frosh-sophs 6 to 12 Monday afternoon.

Antioch scored in the second quarter on a pass by George Lystlund to Richard Jonas covering a distance of 25 yards.

Terry Horton was outstanding at end, catching six passes. Bill Hart played a good game, but was unfortunate enough to suffer a fractured knee in the fourth quarter.

Ela scored first on a reverse play and next when one of her players picked up an Antioch fumble and ran 92 yards for a touchdown with four minutes left to play.

Antioch lost her game through many fumbles.

Professor Believes Too Much Leisure Time Poses Problem

UNIVERSITY PARK, Pa.—Leisure time can be a liability and for the first time in the history of America, or any other nation, the average U.S. worker has more leisure time than working time.

"And this," says Fred M. Coombs, professor of physical education at the Pennsylvania State University, "can lead to a degeneration such as has befallen nations of the past which have achieved great amounts of leisure time for their peoples."

Pointing to a great need for increased recreational facilities, Coombs explains that the creation of such facilities can have lasting benefits, not only for individuals, but for communities and the people as a whole.

Citing the example of Lake Walenpaupack, an artificial lake developed in Northeastern Pennsylvania, Coombs says that it not only provides recreational benefits, but has increased real estate values of the area 300 times. Vacationists spend \$4,000,000 annually there and now 1,100 cottages are found where there had been 100 houses.

Individuals can do much about their own recreation by interesting themselves in hobbies. He suggests hobbies in which the individual is a participant rather than a spectator, one in which he can be successful since it's no fun to be a dud, and one that the individual can afford.

Family hobbies and activities are important, Coombs believes, since "the family that plays together, stays together."

Blushing Fashion In 16th Century

LOS ANGELES—A lady had to be a lady in the 16th century.

In the eyes of Barnaby Rich, a soldier turned author who earned fame in Queen Elizabeth's day as an expert on the fair sex, any woman who "powders her periwig, paints her face . . . and deformeth her selfe evry day with new fashions" was anything but a lady.

Rich first achieved fame in 1581 with a best-selling collection of stories dedicated to "the right courteous Gentlewomen, bothe of Englands and Irelande." One of his firmest convictions was that any woman who couldn't blush was not an honest woman.

In fact, wrote Rich, it should be enough to make an honest woman blush merely to image that she cannot blush.

He maintained in his books that his criticisms of women were based on scientific investigations. According to Dr. Paul A. Jorgenson, associate professor of English on the Los Angeles campus of the University of California, and author of an article on Rich, the early authority on women was soundly beaten on at least two occasions in Ireland by angry husbands.

Scientist to Rescue Of 'Batty' House

COVINGTON, Ky.—The household of Mrs. Royal Atkinson was in a constant uproar for more than a week. The place was batty, with bats all over the place. They flitted into the living room at uncomfortable times, causing embarrassment.

Then she read in a newspaper about a woman scientist at the University of Cincinnati who was crazy about bats—even kept them in her refrigerator, for scientific purposes.

Mrs. Atkinson got in touch with Dr. Elizabeth Smith. Dr. Smith's arm was in a cast, but nevertheless she had easy pickings gathering up the bats. She found 22 of them, 11 of them babies, in two clusters at one end of the attic wall. She plucked them off with ease, weighed them, tagged them and then turned them loose in a barn that was already a bat hang-out.

Crows Won't Bother Stringy Melon Patch

CROWS WON'T BOTHER—guide WINNSBORO, La.—Crows are smart, but they're also superstitious, says Hub Dear.

This, he points out, makes them a cinch to keep out of watermelon patches. Just drive stakes at intervals through the patch and stretch string from stake to stake.

"Thinking the string is some kind of trap, he will not light in the patch where the string is placed," said Dear. "The crow is a smart bird but he is also very superstitious."

Dear discovered this version of the traditional scarecrow in 1917 and has used it successfully since that time.

Doubling Up

WILMINGTON, N.C.—Thieves unable to open a motor sales company's safe containing \$13,525 during a weekend burglary, solved their problem by stealing one of the firm's new station wagons and carting the loot away.

Friends Are Copying Her Idea!

No more burned dinners for this homemaker . . . she can watch the cooking and the baby while she talks on her kitchen phone.

And her friends are impressed, too, when they see the beautiful new Sunlight Yellow telephone in her kitchen . . . and other decorator colors in other frequently used rooms.

The cost for additional phones is low — only about 3¢ a day each, plus small one-time charge for installation and color*.

For more information, please call your Telephone Business Office . . . or drop in and see us.

*By having two or more telephones put in at the same time, you save on installation charges.

ILLINOIS BELL TELEPHONE COMPANY

Telephones in decorator colors accent or blend with any decorating scheme. Available in Classic Ivory, Mistletoe Green, Rosewood Beige, Shadow Blue, Dark Mahogany Brown, Oxford Gray, Sunlight Yellow and Cherry Red. So new, so beautiful, your friends will want to copy you.

Anything less is an old-fashioned truck!

New Chevrolet Task-Force Trucks

They're the most modern trucks on the road. If you don't get all the advantages they offer, you stand to lose money on the job today . . . and again at trade-in-time!

Most modern power—V8 or 6

In most new Chevrolet truck models, you have your choice of V8* or 6. Chevrolet's new truck V8's have the shortest stroke of any V8 in any leading truck! That means less friction and wear per mile. The valve-in-head sixes are new editions of the engines that have long been famous as the "work horses" of the truck world! And all Chevrolet truck engines have a modern 12-volt

electrical system for quicker starting, better ignition and a greater electrical reserve.

The truck driver's "dream cab"

That's the closest we can come to describing the new Flite-Ride De Luxe cab. What truck driver wouldn't go for features like these: panoramic windshield for wider, safer vision; concealed Safety Step that stays clear of snow, mud and ice; High-Level

ventilation that provides a more constant supply of outside air in all kinds of weather.

Most modern truck styling

We call it Work Styling—and you get it only in new Chevrolet trucks! Two fresh, functional styling treatments are offered—one for light- and medium-duty models, another for heavy-duty models. Your Chevrolet truck will do your job better—and look better doing it!

Most modern features throughout

Advanced suspensions, more rigid, ladder-type frames! Tubeless tires standard on 1/2-ton models! Come in and see all the ways you're way ahead with new Chevrolet trucks!

*V8 standard in L.C.F. models, an extra-cost option in all others except Forward Control models.

Year after year, America's best selling truck!

LAKE VILLA

Plan to attend the Swiss steak dinner to be served at the Lake Villa Community church by Circle No. 2 of the Woman's Society of Christian Service on Wednesday, Oct. 26. Serving will continue from 5:30 o'clock, so you may come early if you find it more convenient. Tickets are \$1.50 and 75¢ for children and may be purchased from members or at the door. A sale of various hand made articles will be held in connection.

Circle No. 1 of Woman's Society of Christian Service will meet at the church on Wednesday, Oct. 5 at noon for the quarterly potluck dinner celebrating the July, August and September birthdays of members and friends. Those who do not have birthdays during those months contribute food for the dinner. Mrs. Gertrude Blust, Mrs. Marie Hamlin and Mrs. Virginia Smith are hostesses for the day and the study topic of the day is "The American Indian."

Mr. and Mrs. M. J. Connell returned Saturday from a trip to northern Michigan with Mr. and Mrs. George Mitchell of Evanston.

Mr. and Mrs. John Riggs of Des Moines, Iowa, have been guests at the home of their daughter, Mrs. William J. Weber and family for the past week or so.

Ray Kerr who has been a patient at Victory Memorial hospital for the past few weeks, underwent surgery on Monday.

Next Sunday is Worldwide Communion Sunday and will be so observed at the Community church.

Mr. and Mrs. B. J. Hooper, Mrs. Marie Hamlin and Mrs. Anna Nader visited Mrs. Anna Belek at the rest home at Fox Lake last Sunday.

Mrs. Asa Fresh of Cumberland, Md., is a guest of her daughter, Mrs. Kenneth Plummer and family at the parsonage for ten days or so.

Rev. Plummer has been appointed representative from Lake County to the State Pre-White House conference on Education called by Gov. Stratton to meet in Springfield on Sept. 29 and 30, and will attend the meeting. The findings of this conference will be passed on to the White House conference which the President has called for later this year.

Baptism of small children will be a part of next Sunday's worship service at the Community church.

Mr. and Mrs. Frank Deylitz, who formerly lived here, now in Muskegon, Mich., called on friends here early last week.

Mr. and Mrs. Joy Summers of Chicago came out last Saturday and were guests at the home of their son, Don Summers and family at Sand Lake.

Mr. and Mrs. Oliver Walker were in Chicago last Wednesday to attend the Powerama show.

Mr. and Mrs. Edgar Williams of Hannibal, Mo., were guests of Mrs. Virginia Smith at Buena Park a couple of days last week. They had brought their daughter to enroll at Northwestern University.

Mr. and Mrs. Clarence Bradec and family who have been living in the L. Hamlin apartment on

Grand Avenue, have moved to their new home near Round Lake. Ground has been broken and a new cottage begun for Elmer Sheehan on Grand Ave. east of the Soo Line railroad.

Steve Hurdish, who formerly operated a barber shop on Cedar avenue, now living in Kenosha, called on friends here last Saturday.

Miss Shirley Slazes, daughter of Mr. and Mrs. Frank Slazes has enrolled in the class of nursing at St. Therese hospital.

A daughter was born early Monday to Mr. and Mrs. Jos. Pleviak of Cedar Ave. at the Condell hospital, Libertyville, and all are doing well. Mr. Pleviak is a teacher at Lake Villa school.

'An important point about stock car racing that may not have occurred to you:

The safer car wins...
and Chevrolet is the big winner

Auto races aren't won by brute horsepower. Roadability, acceleration, precision steering and stamina—the very qualities that make a car safer for you—are the keys to victory on the track! And that's why Chevrolet is top car, by far, on the NASCAR (National Association for Stock Car Auto Racing) Short Track circuit.

Faster acceleration
means safer passing

Chevrolet's cannonball acceleration has punched past many a bigger car to victory. But the same blazing surge is a vital safety factor on the highway—one that can whisk you more safely around other cars and out of critical situations.

Easier, super accurate
steering

Nimble is the word for Chevrolet. But you don't have to see them in action on a tight quarter-mile track

to judge how they make other cars seem clumsy. You can feel that yourself in the press of traffic, and sense the feather-light precision of Ball-Race steering in every curve. There's extra safety, too, in Glide-Ride front suspension that sops up the harshest bumps—that lets your car "keep its feet under it" for maximum traction on the roughest roads.

More stability on curves

Chevrolet's famous stability means money in the bank to the race driver—it lets him broadside through turns faster and smoother. But it means peace of mind to you on the road—more comfort in every curve and less body-roll with broad-based Outrigger rear springs, extra security if you have to swerve sharply to meet an emergency, a solid "one-piece" feel that is a delight to any driver.

The ability to slow down
and stop quickly
and smoothly

Those big 11-inch brakes have averted many a disaster in the close-packed battle of racing. But they weren't designed for that; they were made to give you "heads-up" stops and extra stopping power in traffic, on mountain grades, on high-speed expressways. Competition has merely proved their margin of superiority!

Come in and try out
this new winner your-
self... and see how easy
we're making it to buy
a Chevrolet right now!

victories in stock car competition

**TV
Stuff**

By JACK SEIB and JOHN SHERBET

It is of the general opinion among TV stations that there is a lack of summer television viewing and therefore not worth the effort of broadcasting good programs. The results are re-run shows from the winter and programs with little or no planning.

Actually, recent surveys show that this is not true. Naturally, if old shows are going to be run, people will walk away from them. But broadcast something of value, and the public will be there to watch; may they be at home or on a vacation to some distant city.

Let some outstanding show or athletic event take place, and the hotels are swamped with requests for television receivers. Motel operators are finding out that TV sets are very important, too, when a family with children drive in for accommodations.

People do like to watch television in June, July and August as well as the winter months, and the networks should not treat the airways as if they were deserted. The COURTEOUS TV has a consistent amount of service and maintenance calls to make during the summer. And each summer there are more. And what customers may be gone on vacations are well made up for from calls from nearby vacation spots. Phone Antioch 144 for our regular year-round service.

MILLBURN

World Wide Communion will be observed at the regular church services at Millburn Congregational church Oct. 2 at 11 a. m. and Promotion Day services will be held during the Sunday School hour at 9:45 a. m. Parents are urged to be present. The members of the Pilgrim Fellowship and their parents will meet at the church at 8:30 for a pot-luck supper. "The Purpose of Pilgrim Fellowship" will be the topic for discussion.

The Couples Club met at the church last Tuesday evening. Twenty-seven members enjoyed the pot-luck dinner at 7. Rev. and Mrs. L. H. Messersmith and Mr. and Mrs. Cecil Cade were hosts. Following the dinner the business meeting and election of officers took place. The newly elected officers are: Mr. and Mrs. Arthur Riegler, president; Mr. and Mrs. William Paulsen, vice president, and Mr. and Mrs. Frank Edwards, secretary and treasurer. "The Big Vacation," a movie of scenes in California, was shown by Mr. Messersmith.

Fun-nite for the teenagers will be at the church Thursday evening, 7 to 9 o'clock.

The Bible Study Group met at the home of Mrs. Lillian Lucas Thursday morning. The next meeting will be at the home of Mrs. Rose Weindorf on Thursday morning, October 13 at 9 a. m.

Rev. and Mrs. L. H. Messersmith and Chalmers Wooley attended a stewards meeting at Glenview Sunday afternoon.

Mr. and Mrs. Bert Davis, adult members and five young people of the Pilgrim Fellowship attended the retreat at Druce Lake last Sunday evening.

The Ladies Aid will serve a cafeteria dinner at the church Thursday, Oct. 6. Dinner will be served at 12 noon. Business meeting will be at 2 p. m.

The O. E. S. will hold a public card party at Millburn hall Saturday evening, Oct. 1. Pinochle, 500, and bunco will be played. There will be prizes and refreshments.

Mrs. Mabel Bonner is a medical patient at Victory Memorial hospital, Waukegan.

The Millburn Masons laid the corner stone of the new Masonic Temple on Saturday afternoon. Rev. and Mrs. L. H. Messersmith served a luncheon at noon for fifteen of the Grand lodge officers in the church and after the ceremonies at the church and at the new Masonic temple refreshments were served to the public in the church dining room. At five o'clock a dinner was served to 50 Grand Lodge officers and distinguished guests at the home of Phil Anderson.

The Men's Club will meet at the church Monday evening, Oct. 3 at 8 o'clock. A picture will be shown, and the public is invited.

Mr. and Mrs. Robert Bonner of Kansasville, Wis., spent Thursday afternoon at the Gordon Bonner home.

Mr. and Mrs. Milton Smith returned to their home in Wichita, Kansas, after spending several days with Milton's grandmother, Mrs. Myrtle Savage and his brother and family, Mr. and Mrs. Albert Smith.

The P. T. A. of Millburn school will hold its first meeting of the season Oct. 4 on Tuesday evening at the school house. Mr. and Mrs. George DeYoung are in charge of the program and Mr. and Mrs. Wm. Paulsen, Mr. and Mrs. Roy Bonner, Mr. and Mrs. Frank Suhl, and Mr. and Mrs. Lyle Nelson of the refreshments.

Mr. and Mrs. Gerrit Elman of Hammond, Ind., spent Thursday afternoon with Mr. and Mrs. J. Kaluf at the Frank Edwards home.

Marine Corps Band Entertains Downey Hospital Patients

Marine musicians from the Quantico, Va., Marine Corps schools are shown entertaining patients at the Downey, Ill., Veterans Administration hospital. The Quantico band was in the Chicago area to participate in the Armed Forces benefit football game at Soldiers Field Thursday, Sept. 15. They traveled to the hospital Friday afternoon and played selections for the hospitalized veterans before continuing their scheduled tour.
